

Kathryn L Mills

klmills@uoregon.edu

Department of Psychology
1227 University of Oregon
Eugene, OR 97403

CURRENT APPOINTMENTS

2023 – Associate Professor
Department of Psychology
University of Oregon

EDUCATION

2011 – 2015 PhD, Neuroscience
University College London

2008 – 2011 BA, Psychology *summa cum laude*
Portland State University

SELECTED AWARDS AND HONORS

2023 University of Oregon Sustainability Fellowship for Community-Engaged Learning

2021 Marjorie Taylor Art of Teaching Award

2021 Flux Young Investigator Award for Outstanding Research in Developmental Cognitive Neuroscience

2020 University of Oregon Excellence in Remote Teaching Award

2020 Association for Psychological Science Rising Star Award

2015 British Neuroscience Association Postgraduate Prize for best doctoral thesis

2011 – 2015 UCL Studentship for PhD Programme

2012 Sully Scholarship for Division of Psychology and Language Sciences

2008 – 2011 Oregon Laurels scholarship

2009 – 2010 McNair Scholars Program Participant

PUBLICATIONS IN PEER REVIEWED JOURNALS (✳ indicates mentee)

1. Tamnes CK, Dahl A, van der Meer D, Agartz I, Alnaes D, Andreassen OA, **Mills KL**, ... & Ferschmann L (2025). Relationships between wellbeing polygenic scores, brain structure, and psychopathology in children. *Personality and Individual Differences*, 246, 113313.
2. MacSweeney N, Beck D, Whitmore L ✳, **Mills KL**, Westlye LT, von Soest T, ... & Tamnes CK (2025). Multimodal brain age indicators of internalizing problems in early adolescence: a longitudinal investigation. *Biological Psychiatry: Cognitive Neuroscience and Neuroimaging*, 10(5), 475-484.
3. Cheng TW ✳, **Mills KL**, & Pfeifer JH (2024). Revisiting adolescence as a sensitive period for sociocultural processing. *Neuroscience & Biobehavioral Reviews*, 105820.

2014	Psychological Society of Birkbeck Birkbeck College, University of London, London, UK
2013	89Plus Marathon Serpentine Gallery, London, UK
2013	Brain and Development Lab Institute of Psychology, Leiden University, Leiden, Netherlands
2013	Affective Neuroscience & Development Lab Department of Psychology, Harvard University, Cambridge, MA
2013	Developmental Social Neuroscience Lab Department of Psychology, University of Oregon, Eugene, OR
2013	Fair Neuroimaging Lab Dept of Behavioral Neuroscience, Oregon Health & Science University, Portland, OR
2013	The Development of the Healthy Adolescent Brain Workshop Institute of Cognitive Neuroscience, UCL, London, UK
2012	Imaging and Biophysics Unit Seminar Institute of Child Health, UCL, London, UK

WORKSHOPS (*presenter †organizer)

2023	† University of Oregon Diversity Science Research Workshop
2021	* FIT'NG All Ages: Advantages and Challenges of Longitudinal Fetal, Infant, and Toddler Neuroimaging
2021	*† Modeling Developmental Change with ABCD (abcdworkshop.github.io)
2020	*† Neuropointillist: Flexible Modeling of Neuroimaging Data in R
2019	*† ABCD Workshop on Brain Development in Relation to Mental Health
2019	* Nias-Lorentz Workshop on Capturing Brain Dynamics, Leiden, Netherlands
2017	*† Modeling Developmental Change Workshop, Portland, OR, USA

FEDERAL FUNDING

NIMH R01MH127408 Pfeifer (PI) \$3,633,001 05/01/2022 – 03/31/2027
A prospective longitudinal study of transactional associations between social, neural, and hormonal changes and adolescent girls' mental health trajectories
 To provide a comprehensive picture of social, neural, and hormonal changes and their relationship to mental health problems in mid-to-late adolescence. This project seeks to inform clinical intervention and prevention approaches that target close peer relationships and leverage biological insights to improve adolescent mental health, specifically through the lens of investigating emergence and recurrence of internalizing disorders in adolescent girls.

Role: Co-I (2022-2024)

NIMH R25MH125545 Mills (PI) \$121,804 09/01/2020 – 06/30/2022
Modeling Developmental Change in the ABCD Study: Longitudinal Analyses for Clinical Outcomes

The goal of this project was to host an immersive workshop to train researchers on applying longitudinal modeling techniques to the ABCD dataset for investigations of brain development and mental health.

Role: PI

NIDA 5P50DA048756-02 Berkman (PI) 06/01/2020 – 05/31/2021

Pilot and Training Core for Prevention Research Center: Parenting Among Women Who Are Opioid Users

Role: Sub-awardee for Pilot 3 (\$30,000)

NIMH R25MH120869 Mills (PI) \$111,634 06/01/2019 – 05/31/2020

ABCD Workshop on Brain Development in Relation to Mental Health

The goal of this project was to host a five-day immersive workshop focused on using the ABCD dataset for investigations of brain development in relation to mental health.

Role: PI

NIH Loan Repayment Program 07/01/2017 – 06/30/2019

Student loan repayment funded by NIMH Pediatric Extramural program

Role: Recipient

NSF BCS-1736406 Byrne (PI) \$19,900 06/01/2017 – 05/31/2018

Modeling Developmental Change: Practical Integration of Advanced Neuroimaging and Statistical Methods

Organized and led a two-day workshop on best practices for processing, analyzing, modeling, and interpreting longitudinal neuroimaging data.

Role: Co-PI

DEPARTMENT AND UNIVERSITY SERVICE

2025 –	United Academics President (term begins May 15)
2024 – 2025	United Academics Executive Vice President
2025	CAS Launch Committee Convener
2024 –	Inclusive Teaching Task Force
2024 –	University of Oregon Learning Technologies Service Advisory Board
2024 –	University of Oregon Safety Advisory Committee
2023 – 2026	University of Oregon Graduate Council
2023 – 2025	University of Oregon Senate
2023 – 2024	Chair of the Department of Psychology Committee for an Inclusive Community
2023	Teaching Evaluation CAIT
2022 – 2024	Psychology Department Executive Committee
2022 – 2024	Member of the Department of Psychology Committee for an Inclusive Community
2022 – 2024	Department of Psychology Leona Tyler Lecture Planning Committee
2021 – 2022	Department of Psychology Diversity Science Hiring Committee
2020 – 2021	Department of Psychology Graduate Education Committee
2019 – 2020	Department of Psychology Data Science Hiring Committee
